Dear Parent/Carer,

As you will know WPS was inspected by Ofsted on 16th November 2017.

I am pleased to be able to inform you that Woolton Primary School continues to be a **good school** and as noted by Ofsted, **“the school is going from strength to strength”**.

Thank you for all your support during the inspection process. As a good school, that continues to be good, our inspection was for one day only and we receive a letter from Ofsted rather than a report.

A copy of the letter is attached and you can also view this on the school website and the Ofsted website on its publication day Wednesday 6th December 2017.

All our children were an absolute credit to us all during the inspection and the inspectors stated, **“pupils are confident, keen and resilient learners, they enjoy coming to school and their behaviour is good”**.

It is wonderful that they also acknowledged children at WPS, **“make an excellent start to their education in the early years”**, and that our children, **“are safe, feel secure and flourish”**.

As with all Ofsted inspections we have been left with the next steps of our journey of improvement.

These are:

- Most Able progress at Key Stage 1
- Number of pupils achieving the higher standard at Key Stage 2
- Attendance of some disadvantaged pupils

These are all areas we have already begun to address, and will continue to do so with vigour and clarity, as we continue to strive to make sure Woolton Primary School is the best school it can possibly be.

As you read the letter you will see many further positive comments about our children, their learning and our school and I am sure you will feel as proud, as I do, of all our children and their achievements.

Thank you for your continued support, it is due to this, and the dedication of our staff team and governors that we are able to go from strength to strength as a school and will continue to do so.
